Brand New Co-Working Space

Work alongside likeminded professionals in sophisticated, flexible co-working space in a central location with friendly receptionists. Our co-working space features all the benefits of a serviced office without the commitment of a permanent office space. Simply turn up, plug in and get productive. With a range of flexible plans to choose from, you can enjoy the freedom to scale up as your business grows.

Services

In our fantastic new space you will have access to a desk for half a day, full day or a dedicated desk (1-3 months), unlimited superfast WIFI, access to printer, open from 9am till 5pm, centralised breakout area, parking and much more.
